Government Dealing With Question Of Return Of Natural Resources

Ottawa.—The documents tabled in the House of Commons by the Prime Minister in response to a request by Hon. R. B. Bennett, leader of the opposition, dealing with the question of the return of the natural resources of the prairie provinces, decided that the respect to the natural resources be introduced into the decision of the commons which is now investigating the financial side of the considerations relative thereto.

The subject to agreement by the two governments concerned was the findings of the commission, legislation to be introduced into both federal and provincial houses to give effect to whatever recommendations are required in.

With regard to Saskatchewan, Premier J. G. Gardiner and members of his cabinet will be in Ottawa on Tuesday next. It has been arranged that in response to a communication from Premier Gardiner.

"The object of our delegation will be to have the unlimited resources turned over to the province and also to discuss the terms under which the transfer will be mutually acceptable."

The offer of the federal government to the province of Saskatchewan, which was made in December last year, following the conference with Hon. J. E. Brownlee in Ottawa, is not set forth at length and is desired by the Prime Minister that it be subject to further modification by correspondence.
